Project Summary

Please provide a narrative overview or summary of your proposal, including but not limited to the following:

1. Description of the proposal

Replace existing generator with larger one to power the whole facility in an outage.

2. Purpose and key anticipated outcomes

Current generator is over 20 years old and only supplies power to limited outlets in the facility. This would allow Broaddus Hospital to remain fully functional in an electrical power outage.

3. Individuals or communities served

Barbour County and surrounding areas

4. How the COVID-19 pandemic has necessitated this request

Broaddus provides care (including Emergency Room and Long Term Care) to Barbour County and has served as emergency shelter during extended power outages. COVID has caused increased patient volumes especially during spikes in the positivity rate in the county. This has resulted in holding patients in the Emergency Room due to not being able to transfer to higher levels of care. Consistent electrical power must be maintained to provide necessary patient care.

5. Amount of funding requested

478,000

6. Amount of any bids or cost estimates

478,000

7. Amount and source of other funds raised or committed by your organization

239,000

8. How ARP funds, if awarded, will be used

To replace existing generator with either a whole facility diesel fuel generator or natural gas generator.

9. How long it will take you to complete the project if awarded funding

6-12 months

Proposal Details**1. Describe the problem or need which your project seeks to address**

Would allow Broaddus Hospital to remain fully functional in a power outage.

2. Describe goals and expected outcomes of your proposal.

To provide power to whole facility during a power outage

3. Provide your project timeline

6-12 months

4. Provide your total proposed budget.

478000.00 - 760000.00

5. List any partners in the proposal, and the partner's role and your relationship with them.

Mountaineer Generator Service

6. Describe your plan for sustainability of the project or initiative after the grant award has been exhausted.

Operating and maintenance would be included in annual operating budget

Organization Information**1. Provide your organization's mission statement.**

Davis Health System/Broaddus Hospital will provide patient friendly quality healthcare to its communities.

2. Describe the history of your organization, tell us about your current programs and activities

Broaddus Hospital provides acute care, swingbed rehab services, emergency department, long-term care, outpatient clinic, outpatient rehab services, lab, x-ray, and outpatient behavioral health services for seniors.

3. Describe three significant accomplishments of your organization.

Achieved Silver Award for Quality through WVHA, Platinum Award for CORE Challenge, OHFLAC/CMS Certification every 3 years.

4. List your Owner(s), Board of Directors, senior staff members, or other key members of your organization:

Dana Gould, CEO, Mary Beth Lind, Chairman of the Board, Vance Jackson, CEO Davis Health System

5. List the staff involved with this project and describe their roles and responsibilities:

Dana Gould, CEO, Taylor Barley, Support Services Manager, Steve Johnson, DHS Support Services Director

6. Please upload/attach the following financial documents, if applicable:

7. List any federal, state, local or private grant awards or funding received in the last three years and the current status of those funds. If your organization has previously received funds from Barbour County Commission, please list the amount, nature of the project(s) and current status of the funding and project(s).

Broaddus recived approximately 3.5 million in 2020 for CARES Act Funding, and State Save our Cares Funds.

8. If you have made an application for funding for this project from other sources (city, state, private or non-profit organizations) please list the same here.

None

9. Are you collaborating with any other agencies (county or non-county) on this project?

No

Impact of the COVID-19 Pandemic

1. Explain the impact of the COVID-19 pandemic and how it relates to your request.

COVID initailly decreased patient volumes, but over the past year and surges in COVID has increased patient volumes and need to maintain fully functionality during a power outage.

2. Provide the section of the US Treasury guidelines where your project is eligible.

Infrastructure support

3. If you are requesting lost revenue due to the COVID-19 pandemic, provide sufficient documentation to verify your request.
