

SUSIE CVECHKO COMMISSION PRESIDENT, TIM MCDANIEL COMMISSIONER, JAMIE CARPENTER COMMISSIONER (by phone), SHANA FREY ADMINISTRATOR

Susie Cvechko called the meeting to order at 9:00 am.

Discussion was held regarding the approval of electronic payments for real and personal property tax. CSSI quoted this capability with a one-time software setup and installation of \$8,000 and maintenance support of \$790, which runs through September 30. The yearly reoccurring cost is \$1,485.00, beginning on October 1. Electronic payment options have been discussed on several occasions. Sheriff Ferguson expressed support and encouraged it to become priority with rising concerns and limited public access due to COVID-19. All agreed that an electronic payment option is a positive change. In the future, other online payment options will be discussed. On a motion by Tim McDaniel and seconded by Jamie Carpenter, the electronic payment option was approved as well as the quote from CSSI.

The meeting was adjourned at 9:15 am on a motion by Tim McDaniel and seconded by Susie Cvechko.
